➤ Quarters you are applying for support:

FALL  WINTER  SPRING

➤ **Continuing students:** List departmental courses you feel qualified to serve as TA:

➤ Are there quarters you prefer not to be assigned as a TA? If so, please provide details.

➤ Please describe your previous experience and/or background that would be useful for teaching in Animal Science. Attach additional sheets as needed.

Since the field of Animal Science includes physiological aspects of food-producing animals, many of the laboratories in our undergraduate classes involve invasive procedures or dissections. Are you willing to fulfill TA responsibilities for these classes? **YES**  **NO**

 **Please note that the Department of Animal Science does not provide departmental support to M.S. students beyond their second year of graduate study. The final year of eligibility for departmental support is the 5<sup>th</sup> year of a Ph.D. if you did not do a M.S. at UC Davis; or the 6<sup>th</sup> year of graduate study that includes a 2 year M.S. study at UC Davis. Progress is more carefully scrutinized for the final year of eligibility.** 

**CERTIFICATION**

I certify that all the statements made here are true, complete, and correct to the best of my knowledge and belief, and are made in good faith.
